

Cloth Mask (TS-CMSK)

Does the dilemma of infection control with employees/visitors effect your workplace, fitness facility or school? The CDC recommends wearing cloth face coverings in public settings where other social distancing measures are difficult to maintain. Cloth face coverings may slow the spread of the virus and help people who may have the virus and do not know stop it from transmitting to others.

Great for Use In:

- Hotels / Hospitality
- Medical / Healthcare
- Long Term Care / Skilled Care Facilities
- Assisted Living Facilities
- Professional Services / Day Care / Child Care
- Public Venues / Public Health
- Offices / Workspaces
- Manufacturing / Packaging Facilities
- Dining / Drive -Thru / Pickup Areas
- Places of Worship
- Fitness & Wellness / Clubs & Gyms
- School Buildings and Facilities / Athletics
- Vehicles / Fleet Maintenance
- Retail / Convenience Stores
- Homes / Personal Use

When using a cloth face covering, make sure:

- The mouth and nose are fully covered
- The covering fits snugly against the sides of the face so there are no gaps
- You do not have any difficulty breathing while wearing the cloth face covering
